SPIRIT OF '43

In these perilous times we are expected to do our part toward winning the war. This is a tremendous task, but we will be faced with one which is even greater after the war—that of winning the peace. It will be our duty—the youth of America—and we are now preparing for our part in America's future. We, the staff, present the 1943 "Student" as our contribution toward VICTORY.

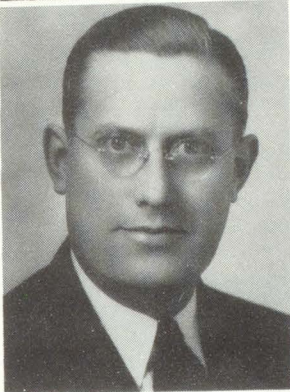

FACULTY

Mr. Tomlinson

We, the class of 1943, have something in common with Mr. Tomlinson; we entered high school together. He has accomplished much in the way of improvements for the school. In addition he has made our stay at Port Huron High School more interesting and enjoyable. All we can say is, "Thank you, Mr. Tomlinson."

Mr. Crull

Mr. Crull, Superintendent of schools in Port Huron, has proven his capability and friendliness on many occasions. He has been a real inspiration to the students of Port Huron High School--no greater tribute could we give him.

Miss Meehan

The class of January, 1943, was fortunate to have Miss Catherine Meehan for adviser. The students of the January class will long remember her for her kindness and expert supervision.

Miss Kean

Miss Ellen Kean was the very capable adviser of the June class. She has a special place in our hearts for her kindness and friendly spirit. Through her management the class enjoyed a successful high school career.

Mr. Bond

This is a picture of the new physics teacher and he seems to be well liked by all his students.

Mr. Batka

Mr. Batka is the instructor of the dramatics club and is directing the Senior Play as efficiently as always.

Mr. Phillips

Mr. Phillips is now serving in the Army as a sergeant. He used to be our biology teacher, but the Army got him as it gets all good men.

Miss Rice

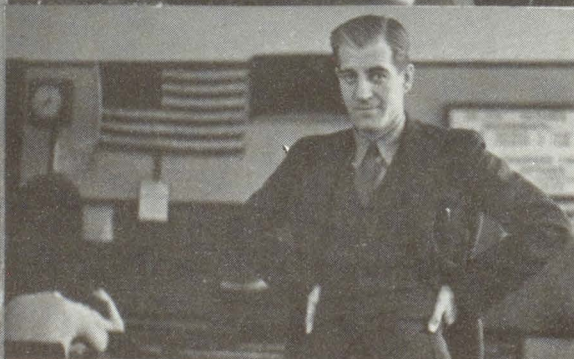

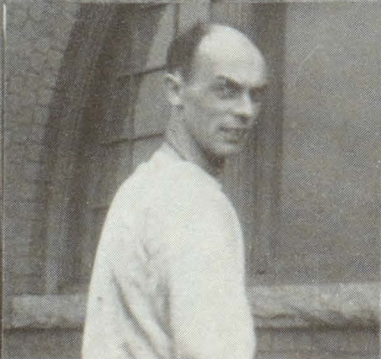

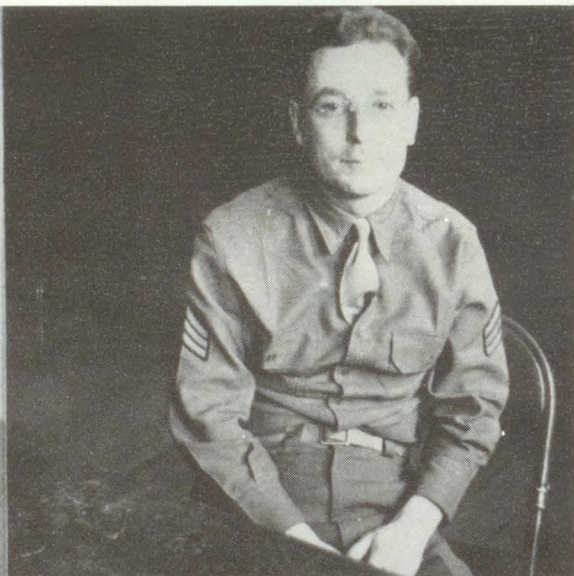

She is a new addition to the staff of teachers, but she caught on quickly and is doing a swell job of teaching chemistry.

Mr. Elackney

This is no new face to most of us, but he is teaching something new to us. Calisthenics is his speciality now and he is showing them how it is done right.

Mr. Carter

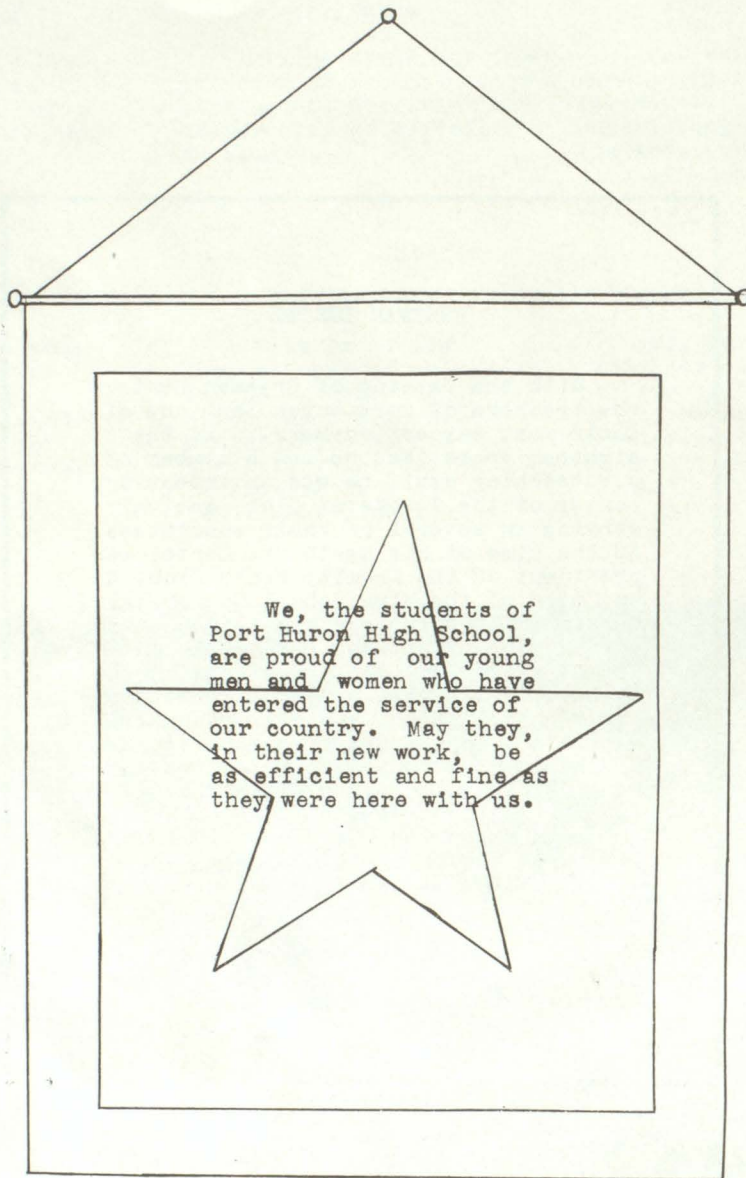

Mr. Carter is another one of the new members of the faculty. He is the new machine drawing instructor and is really doing "all right."

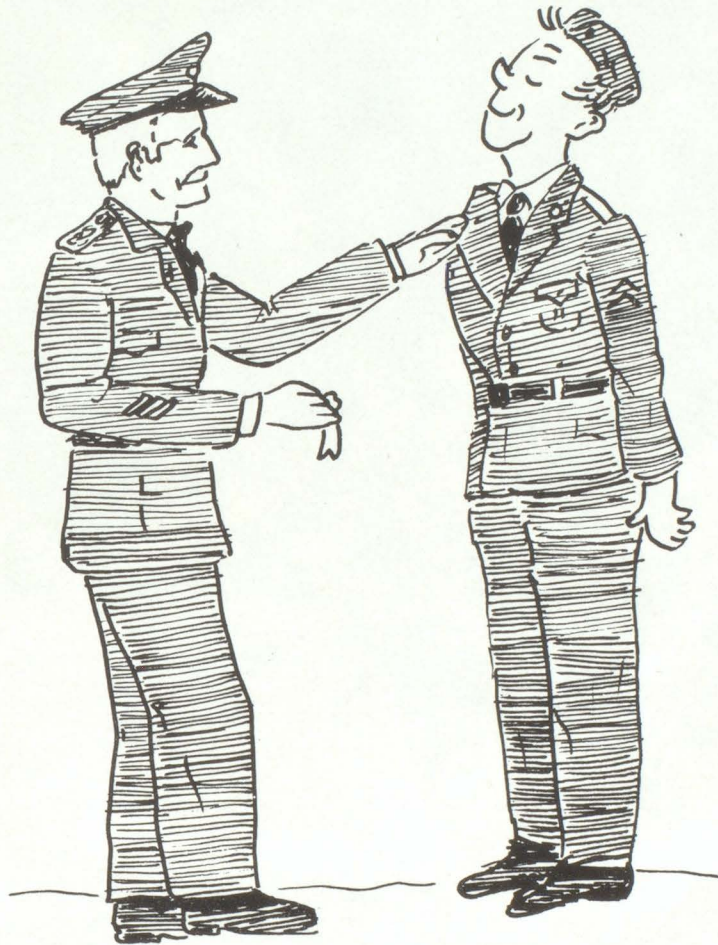

FREEMAN DENTEL

With the passing of Freeman Dentel the teachers of Port Huron lost one of their most earnest workers. In the eighteen years that he was a member of our teaching staff he was an ardent supporter of the Teachers' Club, actively serving on several of their committees. At the time of his death Mr. Dentel was president of the Faculty Men's Club. He was head of the High School Commercial Department and through his guidance and advice, the department has become one of the finest and most practical in the system. Mr. Dentel was school treasurer for the High School and gave voluntarily many hours to the detailed bookkeeping. To the student body Mr. Dentel was known as an excellent teacher of shorthand, typewriting, commercial law bookkeeping, and economics. He was also a familiar figure at the athletic contests for he was in charge of ticket sales at the gate.

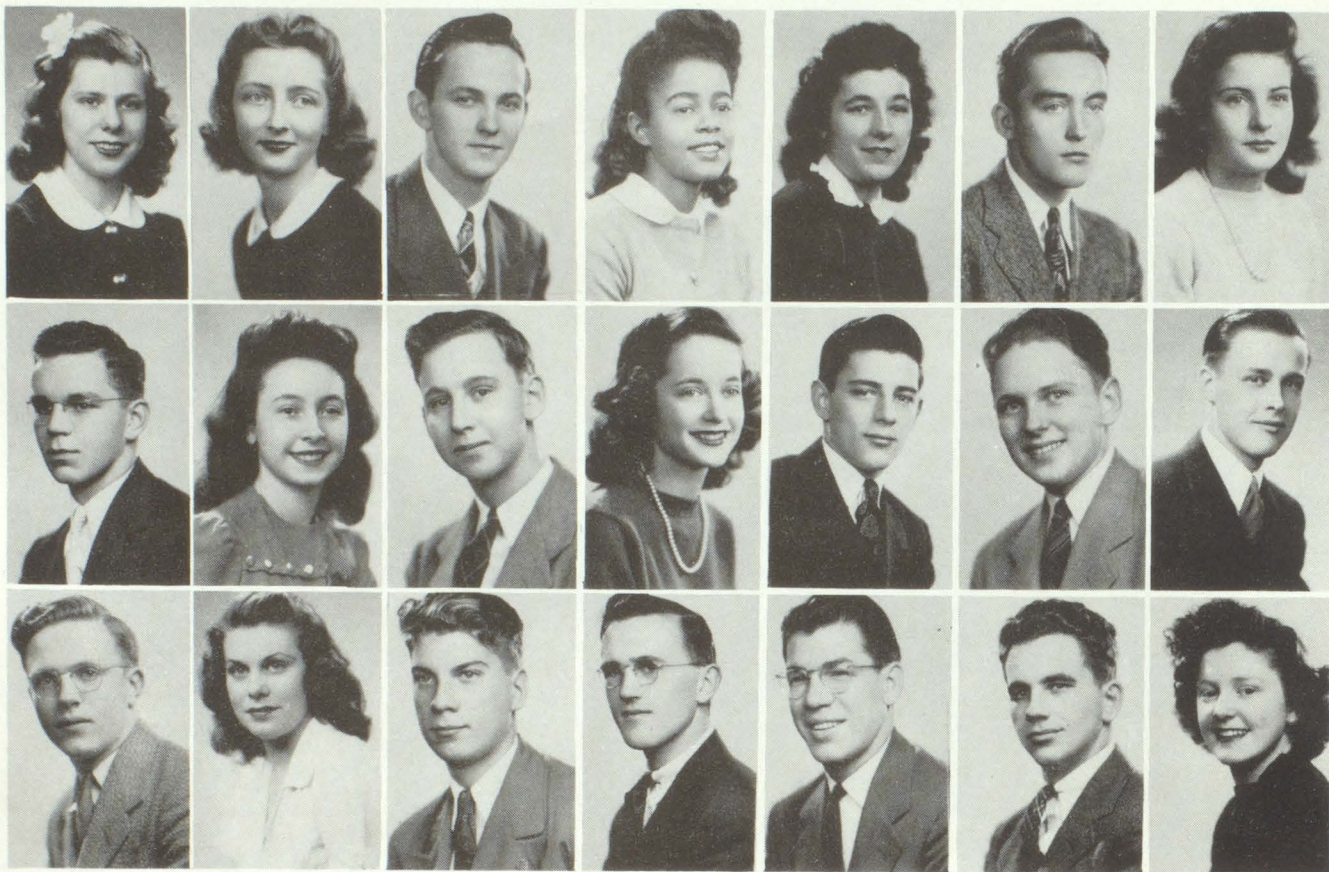

He commanded the respect of all who knew him. To Mrs. Dentel and family we express our deepest sympathy.

- ATHLETICS

Football

Under the direction of the new coach, Frank Secory, the 1942 Red-White eleven proudly carried Port Huron to the first winning season in two years. Frank Secory came to Port Huron as football coach and social science teacher.

With eight lettermen back and last year's reserves, the Red-Whites took a tough Roseville team into camp 14-0. The feature of the game was a sixty-yard run with an intercepted pass by Jack Campbell. The team lost Harry Vigrass with a broken leg.

Playing against Ferndale in a drizzling rain, Port Huron again emerged victorious 13-0. In this game both Chuck Myron and Jack Conklin returned punts for touchdowns.

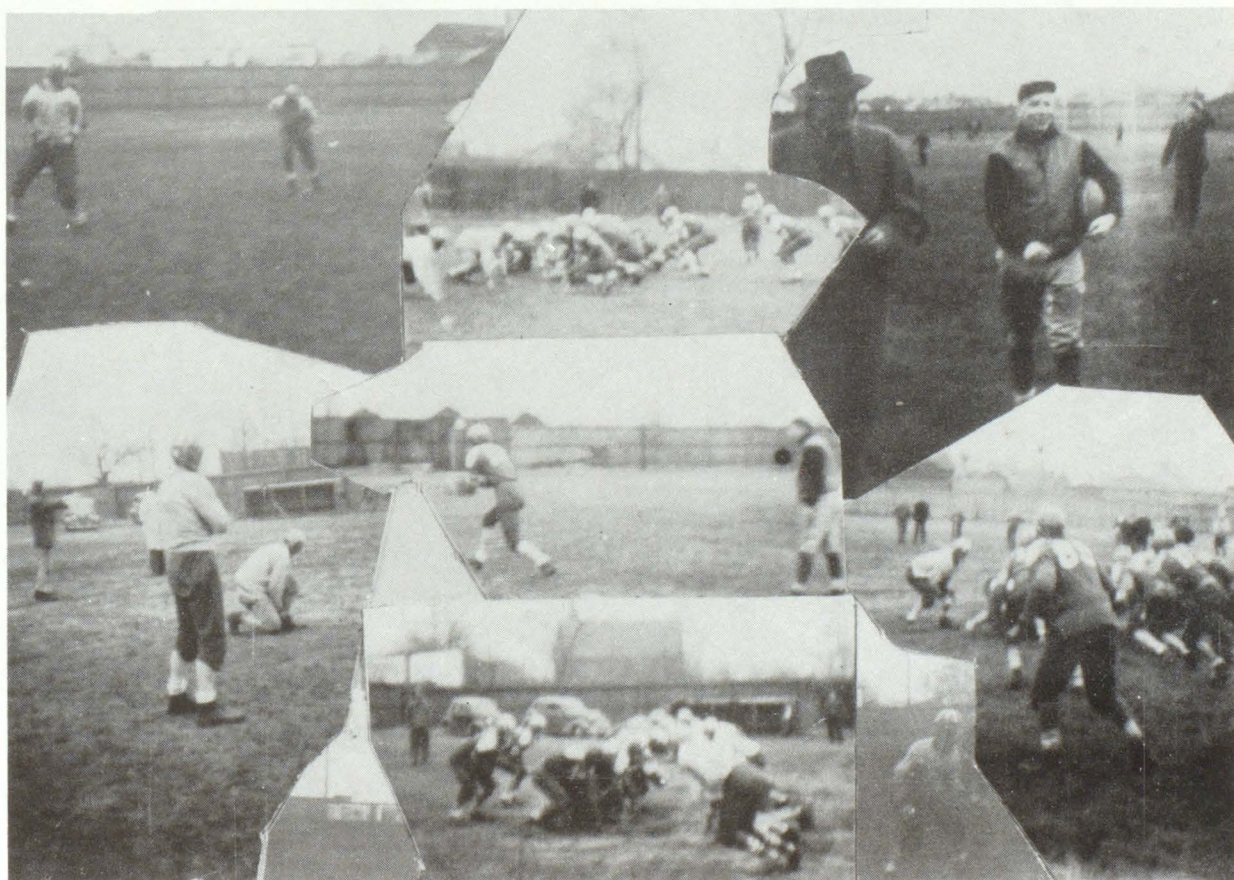

Before a Grand Trunk Field packed with rooters, the Secroyemen nearly edged out a champion Ann Arbor eleven. A Myron to Cotton pass connected, but the extra point was missed. The hard charging Red-White line had Ann Arbor's crafty offensive bottled up until the last three minutes when Ann Arbor's back broke loose with a 30-yard dash, and the conversion was successful. The team not only lost the game, but also lost quarter-back Conklin with a broken leg.

Against Mt. Clemens, the Port Huron eleven was outplayed in the first half and although they played the pants off the Bathers the conversions were missed and the Red and Gray won again 13-12.

Jackson came to town with a team slated for a championship and took us into camp with a 27-6 triumph.

The boys came out of their slump with a 7-0 decision over Hazel Park. As a result of a blocked punt recovered by Captain Dave Cruickshank, the Red-Whites came home with their victory.

In the final game against Grosse Pointe, Port Huron won 19-6.

Basketball

On December 4, our traditionally good basketball team toppled East Detroit 38-23 to win its first game. The following week they were nosed out 17-16 by a good Flint Northern team. Ford Trade was the victim of the Red's revenge in the next game 31-26. Then our boys held a widely celebrated Toledo Waite team to 20 points while making 39 points themselves. Port Huron took the next three games by defeating Hazel Park 35-18, Ferndale 20-11, and Toledo Libbey 19-18. After defeating our bitter rivals, Mt. Clemens, by a score of 36-16, we left the country to defeat London, Ontario, 32-20. At Grosse Pointe the boys lost some of their stuff, dropping the game 38-24. They recovered in time to whip Mt. Clemens the following week by the same score reversed, 38-24, without the services of their ace center, Jack Dobratz, who graduated in January. The Reds last setback was suffered at Hazel Park, 32-20, after which the Roaring Reds went on to finish the season by eliminating Ferndale 28-24 and Ford Trade 36-21.

The Clarence Phare Memorial Trophy given annually to a member of the basketball team for outstanding sportsmanship and love of the game was presented to Charles Whipple. Whipple, a two letter winner, was high point man for the season and an excellent defensive man. Besides this he has been active on all school affairs and is president of the Honor Society. Letters were awarded to Captain Roy French, Captain-elect-Fred Phare, Whipple, Walt Gorte, Bob Schlitts, Jack Dobratz, Ken Ingerson, Milton Brown, Bob Buntrock, and managers Al Phare, John MacDonald and Jim Draper.

This year only the Regional Tournaments were held which Port Huron played at Ferndale. The Reds took the first game against Ferndale 24-18, and went on to defeat Royal Oak 32-28. Then they played their best performance against Pontiac 29-9.

Baseball

For the first time in several years, the Port Huron High School baseball team was not coached by Willard Blackney who was busy with the physical fitness program. He was replaced by Frank Secory, former major leaguer.

Because of wartime difficulties the Red-White nine this year played an abbreviated schedule of two games each with Marysville, St. Stephen, Roseville, Ford Trade, and one game with East Detroit.

With only John Wirtz, Walt Peck, and Bud Hodge back from last year's nine, Coach Secory in two weeks time selected the following team: Lawson, second base; Phare, short stop; Wirtz, right field; Peck, center field; Smith, second base; Miller, first base; Myron, left field; Badley, catcher; and Hodge, Wakeen, and Davis, pitchers.

JAMES DRAPER

Although he was an underclassman, the senior class of 1943 pay tribute to Jim Draper. He was the capable basketball manager up to the time of his death, and an excellent student. Jim will long be remembered by everyone who knew him for his cheerful smile, his friendliness, and his sportsmanship.

Radio Club

The Radio Club studies symbols and diagrams. They also study the theory of simple sets, receivers, and the behavior of vacuum tubes so they can build larger sets. At regular meetings of the club, discussions are conducted by the members. Plans are being made to build a larger set after the completion of the study. Mr. Bond is the capable adviser.

Chess Club

The seventy members of the Chess Club are divided into two groups, the beginners and the advanced. After playing among themselves all semester, there is a tournament near the end of the year with the best players of each team challenging each other. Mr. Daly directs the club.

Creative Writing Club

The Creative Writing Club was organized for the purpose of aiding interested students in the art of writing. Selections by the members are read and then discussed. Intelligent criticisms on the selections are given to the authors. Each year the club publishes a booklet containing the best work of each member. The sponsor is Miss Ballentine.

Girls' Bowling Club

Every Tuesday after school the Girls' Bowling Club, which consists of six teams with five members on each, bowls at the Red Crown Recreation Alleys. The girls contribute money to a "kitty" that will be used for awards at the end of the semester. Everyone who has not missed more than two meetings will receive a pin, and a bracelet will be given to anyone bowling 200 or over. Miss Barr is the sponsor of the club.

Dramatics Club

The Dramatics Club, sponsored by Mr. Batka, is one of the largest clubs in high school. The main purpose is to enable the students to learn more about the theater and improve themselves in the field in which they are most interested.

Home Economics Club

This semester the Home Economics Club is doing work for the Red Cross. Some of the articles they have made are bedjackets and scrapbooks; tablecovers and slippers. Others are doing sewing for themselves. Last semester the girls did some cooking, also. Miss Laura Moore is the club's sponsor.

Cheerleaders

Cheerleaders are required to practice once a week for a semester before cheerleading at games. After a year as a full-fledged cheerleader they receive a P. H. letter. Cheerleaders for the 1942-43 season were: Walt Barthel and Chuck Thorne-January, '43; Shirley MacGregor, Ellen Estlund, and Jean Gowie-June, '43; Lois Frank and Lillian Langolf-Juniors; Ned Hubbell, Bob Gillet, and Chuck Tallmadge-Sophmores.

Art Club

The Art Club is organized under the leadership of Miss Blackburn. During the meetings, the members make drawings from living and still models.

Camera Club

The purpose of the Camera Club is to give new members the general ideas of photography, while the more advanced members learn the finer points concerning it. During the year, members enter pictures in various contests. Miss Rice is the sponsor of this club.

Junior Musicale

Junior Musicale is capably directed by Mrs. Campbell. The main purpose of the club is to create music appreciation in the students. The meetings are made interesting by talks on musicians and their works. Recordings are also often played.

Solo Training Club

Solo Training Club is organized for students who enjoy singing and who wish to get fundamental solo training. The majority of the club is composed of vocal and choir students of P. H. H. S. Under the leadership of Miss Hyde, the members are efficiently directed and helped with their training.

Chorus

The Chorus is a "for fun" class and every student in school is invited to join whether he is a good singer or not. The group takes part in the Christmas concert and in the spring festival. It is under the direction of Miss Hyde.

Handicraft

This semester the Leathercraft Club and the Handicraft club are combined into one group which is under the able supervision of Mr. Robinson. The purpose of this club is to create an artistic appeal to the students. Projects have included book marks, handbags, and belts.

World Affairs

The World Affairs Club is under the supervision of Miss Warren. Each week they discuss a new topic of world events and recent happenings around the world.

World Literature

The World Literature Club has accomplished a great deal under the capable leadership of Miss Josephine Woodward. The club members study the literature of various countries and in this way become familiar with the ideals of the people in them.

Latin Club

Under Miss Eichhorn's supervision the Latin Club studies the old Roman customs. It is also a chapter of the National Junior Classical League. A Roman house has been its project this semester.

Honor Society

The Honor Society is an organization of students elected by the faculty on the four point basis of Scholarship, Leadership, Character, and Service. Their special projects are the book exchange and the trophy case.

Spanish Club

Under the direction of Mrs. Cartwright the Spanish Club has learned of many Spanish customs and habits.

Student Council

Under the capable sponsorship of Miss Muhlitner this year's student council has accomplished a great deal. They directed the sale of athletic tickets, sponsored a dance for the general fund, sold stamps and bonds all during the year, had charge of all class elections, and published a handbook for new students. One of the foremost duties of the council is to take action on suggestions received from students through the suggestion boxes.

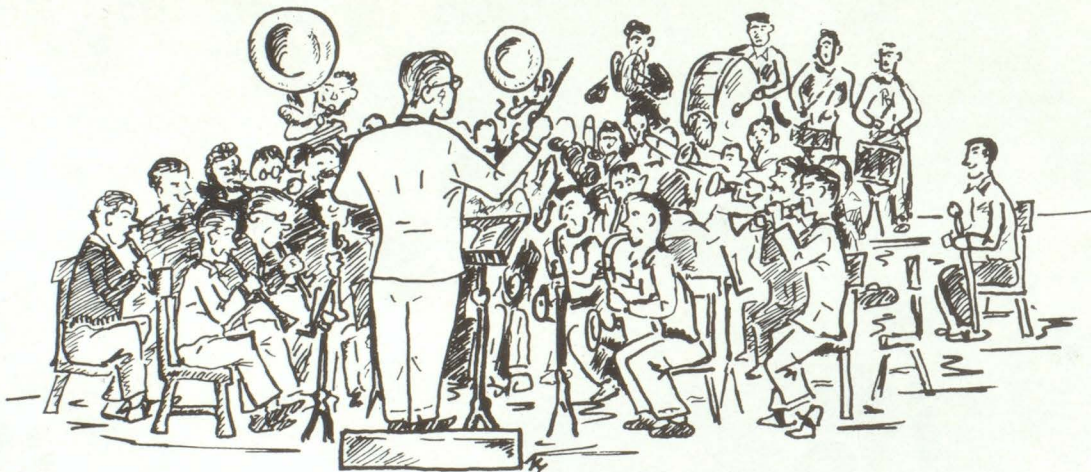

Boys' Hi-Y Club

The name Hi-Y is a contraction derived from high school and Y. M. C. A. In addition to those affiliations, the club is a registered member of the state and national Hi-Y fellowship, which links it with 2,000,000 members of 7,000 other clubs. Interesting meetings are planned around the club's platform of clean speech, clean sports, clean scholarship and clean living. Members have a club room at the Y and the use of the gym and pool. Any boy in high school may join if he attends three meetings of the club, learns the purpose and platform, and is informally and formally initiated.

Mr. Frank Hilborn is the club's sponsor.

Band

The band is one of the most popular and well-liked organizations of the high school. They have 92 members, but only 60 are in the marching band. They have played at many assemblies, football, and basketball games. Each year they look forward to their spring concert. Every other Wednesday morning they play over the air for their many radio listeners. Their most popular piece with the high school pupils this year is "Boogie Woogie Band". The high school band under the excellent direction of E. E. Straffon is one organization of which every student is proud.

"Double Door", by Elizabeth McFadden, is a drama in three acts. Victoria Van Bret rules her family with a maniac's firmness. Her sister Caroline is helpless before her. Rip, her half brother, cannot stand up against her. In a dark room that has not been changed since her father died, Victoria goes through her cheerless routine with cruel regularity. She is more cruel than ever at the time of the play because Rip is marrying a young lady who is not of his social station, and Victoria tortures the bride with studied austerity and finally tries to murder her in the malevolent burden of the play.
